

Rubber Stamps For Quick Messages

Custom Self Inking Stamps

- Create Your Own Personal Message
- Choose From Different Sizes, Font Style And Colours For A Truly Personal Stamp
- Ideal For Frequently Used Company Messages

No matter what your company's needs are we can design a stamp for you. Choose from 14 different styles in either square, round or rectangular, nine font styles and four colours (black, blue, red or green). Whether you need a common seal, a company logo, or a frequently used message we can create it for you. The convenience of a self-inking stamp eliminates the need for you to have messy stamp pads in your workplace. Use our specially designed order form available from our website www.seton.com.au. If a logo is required please supply a high resolution digital image.

TO ORDER: Please complete order form available from our website www.seton.com.au and fax it along with your completed order form on **page 738**.

PRICE (EX GST): Each, OK to assort for best price.

There Are Any Logos or Artwork To Be Attached?

☐ Yes – It is important to supply high quality artwork so that your stamp will look professional. Please post bromide. Fax copies are not acceptable. A good photocopy of a bromide can be used if the artwork is not too detailed. Please also include your address details.

☐ Text only to be supplied as detailed above.
